

RECYCLING COMPETITION 2010

Dear St Paulus learners and parents

About the 2010 Competition Grades 1-7:

- 🌍 **Weekly class winners are announced in Monday assembly**
- 🌍 **The collection criterion will be changed each week, so that each class has a fair chance at winning.** This is announced in Monday assembly. We will also upload these criteria on the webpage. The Recycling Committee decides the weekly winner based on that week's criteria.
- 🌍 **A winning class for the term will be announced - i.e., there will be four class winners this year.** The winners will receive a prize as decided on by the School. The winning class will be decided jointly by the Recycling Committee, our Teacher Liaisons, and Mrs Gorst-Allman. Criteria such as participation, consistency, and improvement will be taken into account when selecting the winner.
- 🌍 **Children that recycle consistently on Thursdays will receive a recycling badge.** Please ensure that your child's name is marked off. Drop off outside of Thursday collection is not scored.
- 🌍 **For your information, we will be posting the weekly Recycling competition results on the webpage.**
- 🌍 **In the event of rain, there will be no collection, and that week's criteria will not apply to the following week.**
